Major funding provided by United Firefighters of Los Angeles City Local #112 Committee, in the amount of \$40,000. Additional information is available at ethics.lacity.org.

JOSE HUIZAR

FOR L.A. CITY COUNCIL

VOTE MARCH 3RD

HEALTHY COMMUNITIES

Councilmember Jose Huizar has been a strong community partner and leader in Eagle Rock. In partnership with The Eagle Rock Association (TERA), Councilmember Huizar has been a leader in the fight against the expansion of the Scholl Canyon Landfill, working to keep more trash-trucks, noise, and pollution out of Eagle Rock.

As an advocate for public space, Councilmember Huizar's track record also includes bringing meaningful improvements to the Eagle Rock Recreation Center and the Yosemite Recreation Center.

SAFE STREETS

For the past decade, Jose Huizar has worked hard to preserve Eagle Rock's small town feel. He has been a strong supporter of our Firefighters and Paramedics at Fire Station 42 in the heart of Eagle Rock. And, since taking office, he has fought back against illegal marijuana dispensaries, which has helped to reduce crime in Eagle Rock to its lowest point in decades.

LOCAL BUSINESSES AND JOBS

Councilmember Huizar has cultivated economic development along Colorado Boulevard through the Take Back the Boulevard initiative during one of the worst economic downturns in American history.

Combining culture and business, Councilmember Huizar has helped the Eagle Rock Music Festival grow into the largest free music festival in the City of Los Angeles. The festival creates more revenue for local business than any other day of the year.

"As a proud 24-year member of the LAFD, I've responded to thousands of fires and medical emergencies during my career. On March 3rd, you have a critical choice for Los Angeles City Council. The 3,000 Firefighters and Paramedics of the LAFD urge you to re-elect Jose Huizar. He will continue to be a strong voice for public safety in Eagle Rock."

CAPTAIN FRANK LIMA

President, United Firefighters of Los Angeles City
